

Dear Parents,

This year in Sunday morning Bible study for 1st graders your child will be learning about the greatness and worth of God using the curriculum "The ABC's of God." Who is God? What is He like? How should I act toward God? These important questions will be investigated throughout the year. Each week the students will learn a letter of the alphabet (not necessarily in order) and an attribute of God. The aim of the curriculum for 1st grade is "to present children with the bountiful feast of all that God is in His greatness, His worth, and His Word. There is no way that we can make God too great or too worthy for children. He will always be infinitely greater and worthier than we can ever communicate." We want children to not only know the character of God though, but to place confidence in God.

Part of knowing God's character is reading and memorizing Scripture. We know who God is, and we know His character because He has revealed Himself to us in the Bible. Listed below you will find the memory verses for the year. Please help you child hide God's Word in his/her heart, and please help them apply these verses to their everyday life. In class they will be using the NIV to review the verses, but you can use any translation you like.

In Christ,

Mr. Jeremy
