

Band of Brothers & Sisters Prison Ministry

Our goal is to allow all inmates, during and after incarceration, to confront issues, realities and effects of their crimes and incarceration to assist in bringing about a change in their lives. Upon release, it is of necessity that they be brought into a Christian environment with a support group of former inmates whom they can be related to as well as a Band of Christian Brothers and Sisters. We encourage and pray that all would take part in this ministry to fulfill this vision and are asking for your support as we work together in unity, endeavoring to change the lives of many. "Now unto Him that is able to do exceeding abundantly above all that we ask or think according to the power (ability, authority) that worketh in us." Ephesians 3:20
