

Church Starting Strategist-Canada

Gary serves as a National Missionary in Church Starting For Eastern Canada and Winnipeg Manitoba with the Canadian National Baptists Convention. His role is to help the convention to plant churches in all of the area mentioned by leading out in the exploration of unreached regions, raising up and equipping church planting leaders for these areas and in working with and raising up church starting advocates for these areas. He also works with the North American Mission Board helping them to better understand the needs of church planting in Canada and how the board can better serve the Canadian National Baptist Convention.

Opportunities for Service:

Prayer support and adopting church starters and their families, mission opportunities, resource support, and overall watch care.
