

# Graffiti Church and Community Ministry

Graffiti Church and Community Ministries is located on the Lower East Side of Manhattan, just a few blocks from one of the largest low-income housing projects in the nation. Through after school programs, clothing, and discipleship programs, we walk along side high risk children, youth, and adults. And we meet for church on Sundays!

## **Opportunities for Service:**

Prayer and financial sponsorship for low-income individuals to attend summer camp, winter retreat, and other events; adults to partner with to enable the after-school programs and other mercy ministries to continue; young adults (20-30) to raise their own financial support to come and be a part of the internship program for Urban Encounter for one year.

## **Prayer Requests:**

1. Please pray for Graffiti and the people we serve as we continue to struggle with staffing an inner city ministry.
2. Pray that God would raise up people to come and serve a lifetime.
3. Pray for our family as we consider our next steps in finding an apartment larger than our one-bedroom and in a neighborhood with safe public schools.
4. Pray for Kerrick, Hudson (our one year old), and I as we balance family and two ministries.
