

# Impact Sports

Impact Sports is an interdenominational, international outreach ministry that uses sports as a vehicle to share Christ with others. Impact Sports also seeks to use sports as a draw for other Christians in order to get them involved in ministry, showing them how to use their gifts and talents for God's Glory.

*Impact Sports does this in several ways.*

- 1. International mission trips** – We travel to other countries-- many closed to the Gospel—playing tournaments, exhibition games, or conducting clinics, providing a “service”, thus strategically generating opportunities to share the Love of Christ.
- 2. Prison ministry**- We visit regional and federal prisons, playing softball and basketball against inmates and sharing testimonies and the Gospel during or after play.
- 3. Mission Conferences**- We also work in conjunction with Mission Conferences helping to train and mobilize Christians for the Great Commission.
- 4. Discipleship** - We conduct discipleship Bible studies to trip participants to help them grow in their walk with the Lord.

## **Prayer Requests:**

1. Please pray for volunteers for our upcoming projects. Stepping out on faith is never an easy thing to do, and with the financial restraints that we find ourselves under, finances has become even more of a deterrent.
2. Please pray for wisdom in choosing the projects where God wants us to serve. We have more requests than can be filled now. We only want to go where He leads.
3. Please pray that God would go before us and prepare the way and the hearts of those with whom we work. If He doesn't go before us, we are wasting our time.
