

Meridzo Center Ministries

Since 1999 Meridzo has served thousands in Harlan County, Kentucky, and beyond with food, clothing, furniture and appliances, home repairs, church repairs and construction, rebuilt city parks, offered job opportunities, and held back yard Bible clubs, all by God's design. He has sent his laborers from all across our country to the "white fields" of the Appalachians. Putting a number on decisions is a very difficult thing, but we know from reports of at least 1,500 decisions for Christ. We are grateful for every word that touches a heart that we may never know about.

In October 2009, Meridzo will celebrate a ten year anniversary. God has incredible blessings in store for all His children who walk by faith. Faith is believing in the reality of what God has promised. "Now faith is the substance of things hoped for, the evidence of things not seen." Hebrews 11:1

Shekinah Village is one part of Meridzo's Ministries, and at this point has 4 cabins under roof, 3 others are being planned. The facility, when complete, will have the capacity to house 40 individuals for camps and retreats. Chad and Ryan Morgan are the directors of Shekinah Village.
