

Piedmont Women's Center

Piedmont Women's Center is an oasis of hope for women and men in a pregnancy related crisis; we minister to their physical needs, emotional needs, and spiritual needs.

We offer free laboratory grade pregnancy test, free limited ultrasounds, post abortion counseling, abstinence counseling, referrals to adoption agencies, referrals to other agency's for example: shelters, food, clothing, churches; we offer our clients a generous baby bundle after the birth of their babies, and vouchers to Miracle Hill for baby and maternity related items. We offer education regarding fetal development, emotional and physical problems after an abortion. We present the word of God each day to thirsty women and men.

Opportunities for Service:

Prayer, volunteering, painting and helping prepare our new facility.
