

Sereer-Palor of West Africa

Rocky Creek Baptist Church has entered an Engaging Partnership with the Sereer-Palor people group. As an Engaging Partner, we are the missionaries who will seek to engage the Sereer-Palor and reach them for Christ. There is not an IMB missionary assigned directly to the Sereer-Palor, so if this predominately Muslim group is to hear the great truths of Christ, it is up to Rocky Creek. At least twelve teams from RCBC have visited in the village we call "The Castle" and other Palor villages, and at least one person has become a believer. During 2009, we will send several teams to share Bible Stories in Sereer-Palor villages.

Opportunities for Service:

Prayer partners (the key that unlocks the doors), a short-term mission trip to Senegal, West Africa (during this trip you would spend the days in a village building relationships with the Sereer-Palor people, eat lunch with them and share Bible stories), financial support to send others if you can't go yourself.

Prayer Requests:

- Pray for God to raise up volunteers to go on mission trips to Senegal
- Pray for "Wilma" who has accepted Christ as her Savior
- God has opened opportunities in other Palor Villages, but some are still considering if they will allow our teams to come in and share stories. Ask God to soften their hearts.
- Pray for Kory (while he is not Sereer-Palor, we have had much contact with his family) who accepted Christ in January 2009. Pray he will be disciplined and able to teach the children about Christ (this was his request and desire).
