

Springville Baptist Church

God moved us out to Springville, UT in 2002 to begin a new Baptist Church where 4 others had tried to begin. Our town is 98% LDS (Mormon) and has a quiet, but large, drug problem. We are in our third building and God has blessed with over 35 Salvations and over 450 people coming through the Church doors at least once to hear His Gospel. God blessed our ministry last year by sending a family to help us with our Children's Ministry. My wife and I continue to work part time as God leads and have seen many opportunities to share Christ's love with our co-workers. We thank Rocky Creek Baptist Church for their continued faithfulness to God's calling to go to the World and teach His Gospel!
