

Team Touchton

The Touchton family put their “yes” on the altar several years ago during one of Rocky Creek’s GIC services. During the years that followed, God taught them much about how He wanted them to follow Him. During that time, they sought to serve God where-ever He placed them. Now, they have finished their training here in the States through the International Mission Board. By the time we hold our GIC in April, 2009, the Touchton family will be overseas, and on their way to where they will be located to serve God.

The specific ministry they are involved with could be compromised if we post their names or ministry in any public format. Therefore, there are no first names listed, emails should go through Jerry Smith, unless you have already been given their email address. Please be careful in emails you send to them, to not include anything about “missionary” or “ministry”. It is fine to talk about God or Christ as you are referring to them, but remember that emails can often be picked up by the wrong people so you must be careful.

May the Lord grant mercy to the household of Onesiphorus, for he often refreshed me and was not ashamed of my chains, but when he arrived in Rome he searched for me earnestly and found me-- may the Lord grant him to find mercy from the Lord on that Day!--and you well know all the service he rendered at Ephesus. (II Timothy 1:16-18 ESV)
