

West Africa Mission's Personalizer; Greg and Angela Queen

Greg serves with the International Mission Board as the West Africa region's Personalizer. The Personalizer's main role is to serve as a liaison between the church and the field - helping churches partner with on-the-field personnel or engage people groups who have no evangelical witness. John 4:35 says, "Don't you say, 'There are still four more months, then comes the harvest'? Listen to *what* I'm telling you: Open your eyes and look at the fields, for they are ready for harvest." Greg likes to think of his job as helping you see the fields...putting a vision of the people of West Africa in your mind.

Greg, Angela, and Meredith were actively involved as members of Rocky Creek Baptist Church when God called them to missions. During their time in Dakar, Senegal, God blessed them with a new baby, Hope. During the pregnancy, complications arose which caused them to relocate back to Greenville, SC. Hope was born on February 22, 2007. She has had a number of medical needs, so please continue to lift up the family as they care for Hope and Meredith and strive to share with others about West Africa.

Prayer Requests:

- Our youngest daughter, Hope. That He would continue to grow her and give her great physical and mental abilities.
- Meredith (11 years old) - He would encourage her and help her overcome anxieties of her sister's special needs, and grow her more Christ-like each day.
- Angela - that He would encourage her each day. May she always feel His presence proving more powerful than the enemy's tactics of loneliness and discouragement.
- Greg - Knowledge and discernment for this task.
- Finally, that God will send out laborers into the harvest fields of West Africa
