Ends of the Earth Prayer Requests

Senegal, West Africa, Sereer-Palor Partnership

- 1 - "The Castle" has been told by the government they may have to relocate their village – it could be a good thing for them as far as living conditions go, but they would be uprooted after generations of living where they are, and all their ancestors are buried there.
- 2 - To find a "Person of Peace" in each village the teams go to (someone willing to hear the message of Christ who will encourage others to listen)
- 3 - Clean drinking water and plentiful crops for food and support of their families
- 4 - Remove barriers that would not only hinder sharing Jesus, but that would stand in the way of decisions for Christ and baptisms
- 5 - The power of the Holy Spirit to flow through those He sends, to give peace, endurance, and the right words to say, at the right time.
- 6 - Pray for Jerry and Monica Grift, IMB missionaries assigned to work with the entire Sereer people group in Senegal
- 7 - Pray for Greg and Angela Queen as they seek to engage churches and people in America with people groups in West Africa.
