

Samaria Prayer Requests

Graffiti Church and Community Ministry

- 1 - Pray that God would raise up more workers to serve in inner city ministries - people with a heart to walk with others from difficult circumstances. Pray specifically for those called to serve through Urban Encounter - Graffiti's one-year long internship program.
- 2 - Pray that God would continue to give me courage and wisdom as I serve teens and adults in "hopeless" situations. Pray that God would give me a vision for this ministry.
- 3 - Pray for my husband and me - that our marriage would continue to glorify God in a city where marriage is rare and undervalued.
- 4 - Pray for the teenagers who I serve - that God would give them wisdom and courage to understand and live out a completely different life than anyone else around them.
- 5 - Pray for our housing situation. It is our great desire to remain in the neighborhood in which we serve, but as rents increase, it becomes harder to remain. Pray that we will learn to trust God more with this area of our lives.
- 6 - Pray for my health - that God would continue to give me strength, energy, and clarity of mind so that I can give my best to those I serve.
