Expectations for Springing Up Children's Ministry

- Bring your Bible. (We will use them. Children wouldn't go to baseball practice without their glove or band practice without their instrument. So please don't come to church without your Bible.)
- Be on time and be ready to learn. (We start at the appropriate times, and we want the children to participate in "growing in the grace and knowledge of Jesus" by looking up and memorizing verses.)
- Listen to and obey the teachers, respect others, and respect property by taking care of materials.
- Do not bring toys, drinks, or food to class, unless asked to do so by the teacher.
- Go to the bathroom and get water before or after class, not during class. If a student needs to use the bathroom during class, that will be allowed. However, we would like to minimize this.
- Not running in the hallways and not using the elevator. (There are too many other people in the hallways to be running, and the children should use the stairs, not the elevator. The elevator should be used by those with a medical situation or other legitimate reason.)
- Parents, please make sure that your child gets to the appropriate room on time. With so many children, teachers cannot be expected to round everyone up from all parts of the church building. Also, please make sure that you pick them up on time.
