

PRESCHOOL PRESS FEBRUARY 2010

Love is defined by Webster's dictionary as "A strong positive emotion of regard and affection; examples-"his love for his work"; "children need a lot of love". But probably no other word in human language is harder to define than "love." We read about it, dream about it, search for it, market it, and even exploit it, but we still can't adequately define it. How do you put into words the way you feel when you see your child for the first time, or the way your heart pitter-patters when the "love" of your life walks into your life, or the feeling of security that our parents instilled in us...but does that define love? The Bible says in the 13th chapter of Corinthians, that love is patient and kind, it is not jealous or conceited or proud; love is not ill-mannered, or selfish or irritable; love does not keep a record of wrongs; love is not happy with evil, but is happy with the truth and love never gives up. Aren't you glad that God never gives up on us?! 1 John 4:8 says that God is love. He loves us with a love that we can't even understand...a love that changes us, our circumstances and our world. God loves us so much that He sent his one and only son, that ANYONE who believes in Him shall not perish, but have everlasting life. John 3:16 So this month when you see hearts and think of love, remember the perfect love that comes from above. God is Love!!

The welfare and growth of your child is our mutual concern. That being the case, if there are any changes in your child's health including changes and/or additions of medications, please be sure and make us aware of them.

If you have not registered for the 2010-2011 school year and would like to do so, limited spaces are still available. Please stop by the preschool office to pick up the paperwork

In the event of bad weather, please tune into news channel 4 or call the preschool answering machine. Remember, if Greenville County is closed or delayed, we will be closed.

Our registration for 2010-2011 school year has gone very well and we are almost at capacity. We heard so many positive remarks from people who said they were referred by our currently enrolled families. Thank you for all of the kind words. We are so glad you are here.
